

LEADERSHIP LIVES HERE™

We are dedicated to the individual preparation of our students for success in college and in life. Integral to our mission is the development of personal character and leadership traits in our students. This is accomplished through our academies:

St. John's Northwestern Military Academy challenges cadets to learn leadership principles in the classroom through the U.S. Army JROTC program. Cadet leaders use after school time and weekends to hone their leadership skills at all levels. Cadet leaders are selected based on demonstrated maturity, academic performance and sense of responsibility.

St. John's Northwestern Prefect Academy educates and develops young men and women into responsible citizens and moral leaders using contemporary organizational leader development principles.

St. John's Northwestern Middle School Academy, Grades 7-8

Seventh and eighth grade students study English, mathematics, science, social studies, physical education, fine arts, technology, and leadership skills. Qualified eighth graders may take electives in world language or freshman-level course work for high school credit.

St. John's Northwestern Summer Academy offers summer fun with the purpose of providing character-building leadership skills through summer academic and challenging outdoor programs.

DESCRIPTION AND LOCATION

St. John's Northwestern Academies is an independent, coed, college preparatory and leader development boarding and day school for grades 7-12 located in Delafield, Wisconsin, 25 miles west of Milwaukee and 95 miles northwest of Chicago. The 110 acre campus includes several buildings that house classrooms, learning commons, residence halls, dining hall, chapel, infirmary, student center, gym, and pool, along with athletic fields and a nine-hole golf course. Annual enrollment is approximately 200 students from across the United States and numerous international countries.

Honors program includes
AP and college courses.

Students are encouraged to engage in
community service activities.

The **student/teacher ratio**
is approximately **10:1.**

Individualized attention in our
tutorial program.

Specialty programs include
**aviation, bagpipes and
highland drumming**

ADMISSIONS

We seek students of good character and serious purpose. Our admissions team works with each applicant to assess and recommend the best path for their success.

HIGH SCHOOL GRADES 9-12

Graduation requires a minimum of 27* academic credits: 4 of English, 3 of math, 3 of social studies, 3 of science, 2 of world language, 1 of technology, 1 of fine art, 1.5 of physical education, and one unit of leadership every year of attendance.

**Starting with Class of 2025*

Diploma options

- College Preparatory
- STEM Honors
- Humanities Honors

Honors Program. Honors, AP, or dual credit college level courses are available in most core disciplines.

English as a Second Language (ESL): ESL courses are offered from beginning to advanced levels for international students needing ESL support. Most students in the ESL program are also integrated into some mainstream classes.

Transfer Credit. Credit from other schools is accepted when course work satisfies our requirements.

FACULTY

Faculty totals 35, of which 18 hold master's degrees.

EXTRACURRICULAR

All students participate in a leadership program and athletics during the school year and are encouraged to engage in community service activities throughout the year.

COLLEGE & CAREER COUNSELING PROGRAM

The college counselor assists students with the college application process. An average of 30 college representatives visit campus each year, including representatives from each of the U.S. military academies. Students are encouraged to visit college campuses and explore career options. The majority of our seniors are accepted into colleges and universities. Some choose to serve in the armed forces or attend a technical program.

Schools accepting Academy graduates include:

American University	Lehigh University	United States Air Force Academy
Babson College	Marquette University	United States Merchant Marine Academy
Baylor University	Milwaukee School of Engineering	United States Military Academy
