

ESL ENRICHMENT CAMP

AUGUST 19 - 26, 2024

ESL (English as a Second Language) Enrichment Camp is a one-week orientation when we welcome all new international cadets and students to SJNA. It is a time to evaluate English proficiency levels, get to know your new friends, and prepare for a successful school year both culturally and academically. This memorable experience will build your confidence for success in the school year and start your journey at St. John's Northwestern Academies.

A PROVEN RECORD OF SUCCESS

International students from more than 20 countries have learned and practiced English alongside American Students. Many of these students have gone on to become leaders of business and industry, senators, ambassadors, and even presidents of countries. The ESL program at SJNA strives to prepare our students for success in today's global society.
