Upcoming Deadlines and Acceptance Letter ETAs

This week's *College and Career Corner* is aimed at helping students understand what's next after the application process and what they can expect in the upcoming weeks and how to plan additional steps. [To view previous newsletters, please visit our website.](#)

University of Illinois Urbana-Champaign

Early Action Applicants – Over 63% of current SJNA seniors have applied to their colleges already. Seniors have sent 299 applications to 158 different schools, and counting! If you applied Early Action in November and have not already heard from the colleges you've applied to, they should be releasing their admissions decision by the end of January (with some exceptions, depending on the applicant pool size).

Check Your Applicant Portals and Emails – You must check your emails and portals daily throughout the winter months. If you miss a request for more information or an additional document, it could jeopardize your admission chances, so check regularly.

Upcoming Deadlines and Acceptance Letter ETAs

Regular Decision Deadlines – Most regular decision deadlines will fall between January 15th and February 1st, with some extending through March. Schools including The University of Illinois Urbana-Champaign (Jan. 15), UW Madison (Feb. 1), University of Oregon (Jan. 15), The Ohio State (Feb. 1) and the University of Colorado Boulder (Jan. 15), are just some of the universities with Regular Decision deadlines fast approaching.

Seniors began receiving letters of acceptance as early as September– copies are displayed on the first floor of the Academic Building, with more being added weekly!!

Rolling Applications – Colleges with rolling admissions may not have strict deadlines, but seniors should still be getting applications in sooner rather than later. It can take longer than two months to receive an admissions decision and waiting until the last minute will take away time needed to prepare for scheduling college classes, attending orientations, completing room and board paperwork and more.

If you have any questions regarding your application, deadlines, admission decision status or would like to discuss your post-high school options, please visit the College and Career Counselor, Ms. Catherine Lewis, in room 116 or reach out via email at clewis@sjnacademies.org or call 262-646-7283.
