LEADERSHIP LIVES HERE

THIS IS YOU:

DETERMINED. PROACTIVE. ACCOMPLISHED.

Are you interested in becoming the best version of yourself and maximizing your potential? Do you think you are capable of more? Find the direction you desire at St. John's Northwestern Military Academy.

We educate and develop young men and women into responsible citizens and moral leaders of sound mind, strong body, ethical character, with premier leader skills developed using contemporary Junior ROTC leader development principles.

Our Military Academy sets rigorous standards and clear rewards for setting and achieving goals that are centric to learning, leadership growth, wellness, and spiritual and character development.

Cadets focus on personal accountability and taking on increasing roles and responsibility, while working their way through the ranks, earning promotions and awards along the way.

SJNA was named a JROTC Honor Unit with Distinction and scored near the 100% level of the National Joint Program of Accreditation Standards and is No. 1 in Wisconsin for US Military Academy appointments, however most of our graduates advance to colleges or universities for successful careers in the public or private sector.

THIS IS YOU:

INFLUENTIAL. PERCEPTIVE. PROMINENT.

How do your talents and passions fit into an ever-changing global society? Find the answer at St. John's Northwestern Prefect Academy.

More than just leader development, students are provided the opportunity to engage in rigorous curriculum like cybersecurity, engineering, robotics, aviation, and drones, that challenges their norms. Combined within a structured and nurturing environment, SJNA provides a unique setting for excellence to grow.

The Prefect Academy model goes back to the 14th century, and is based on student self-governance, with ample opportunities to grow as leaders.

Through our carefully crafted proprietary leadership curriculum, you will learn and develop the qualities of self-discipline, initiatives for personal growth, and self-leadership habits. Student's will create their own personal model of healthy leadership while effectively communicating with others. Learn what it takes to be a leader, meet the demands of being a leader, and think critically.
