MAXIMIZE YOUR POTENTIAL

Independent Co-Ed Boarding & Day School | Grades 6-12 & PG

LEADERSHIP LIVES HERE

WELCOME TO A PLACE OF
**TRADITION, STRENGTH,
AND ACCOMPLISHMENT**

St. John's Northwestern Academies is an independent, coeducational, college preparatory boarding and day school for grades 6-12 & post-grad. We develop moral and ethical leaders who are inspired to improve the world through two paths:

THE MILITARY ACADEMY pursues its mission using military leader development principles.

THE PREFECT ACADEMY pursues its mission using contemporary organizational leader development principles.

Since 1884, St. John's Northwestern has guided young people from all over the world toward a life of service and achievement, structuring our approach around four pillars.

ACADEMICS: EMPHASIZING EXCELLENCE

Small classes. Hands-on learning. Individual guidance. Innovative curriculum. It's all here, along with Advanced Placement, honors, and dual college credit classes. Our diploma options include traditional, STEM Honors, and Humanities Honors. Academic support includes daily teacher tutorials, supervised evening study, and peer tutoring. Our ESL program helps international students improve their social and academic English. Our relational learning approach offers unique opportunities to explore and make choices now to support your future goals.

ATHLETICS AND WELLNESS: FIT FOR LIFE

Every student participates in athletic and wellness activities, fostering a lifetime commitment to physical and mental well-being. Our varsity teams compete in the Wisconsin Interscholastic Athletic Association (WIAA) Midwest Classic Conference in more than 13 varsity sports including football, basketball, swimming, soccer, and co-op teams with area schools in hockey and more. Also, beginning in the 2023-2024 academic year, SJNA and DME Academy will work together to amplify the athletics program. Find your sport of choice here.

SPIRITUAL & CHARACTER GROWTH: SERVICE BEFORE SELF

Character is formed through beliefs and actions. Our spiritual life program helps you explore the timeless principles of fairness, integrity, responsibility, and respect. Local and global community service opportunities encourage you to gain new perspectives, and respect all faiths, as you give of yourself.

LEADER DEVELOPMENT: BUILDING CONFIDENCE & COMPASSION

Mentored by dedicated faculty, you progress from leadership of self through organization, focus and accountability; to leadership of others through inspiration and example. Through this self-governance structure, both academies provide daily opportunities to apply these lessons and to build confidence in your own leadership style while learning to collaborate.

The St. John's Northwestern campus is just 30 minutes west of Milwaukee and two hours from Chicago, nestled in charming Delafield, Wisconsin.

YOUR HOME AWAY FROM HOME

Our renovated historic campus includes residence halls, two academic buildings, a student center, dining hall, chapel, a learning commons, and an infirmary.

Athletic amenities include a gym and weight training room, an Olympic-size pool, a track, sports fields and courts, and an obstacle course.

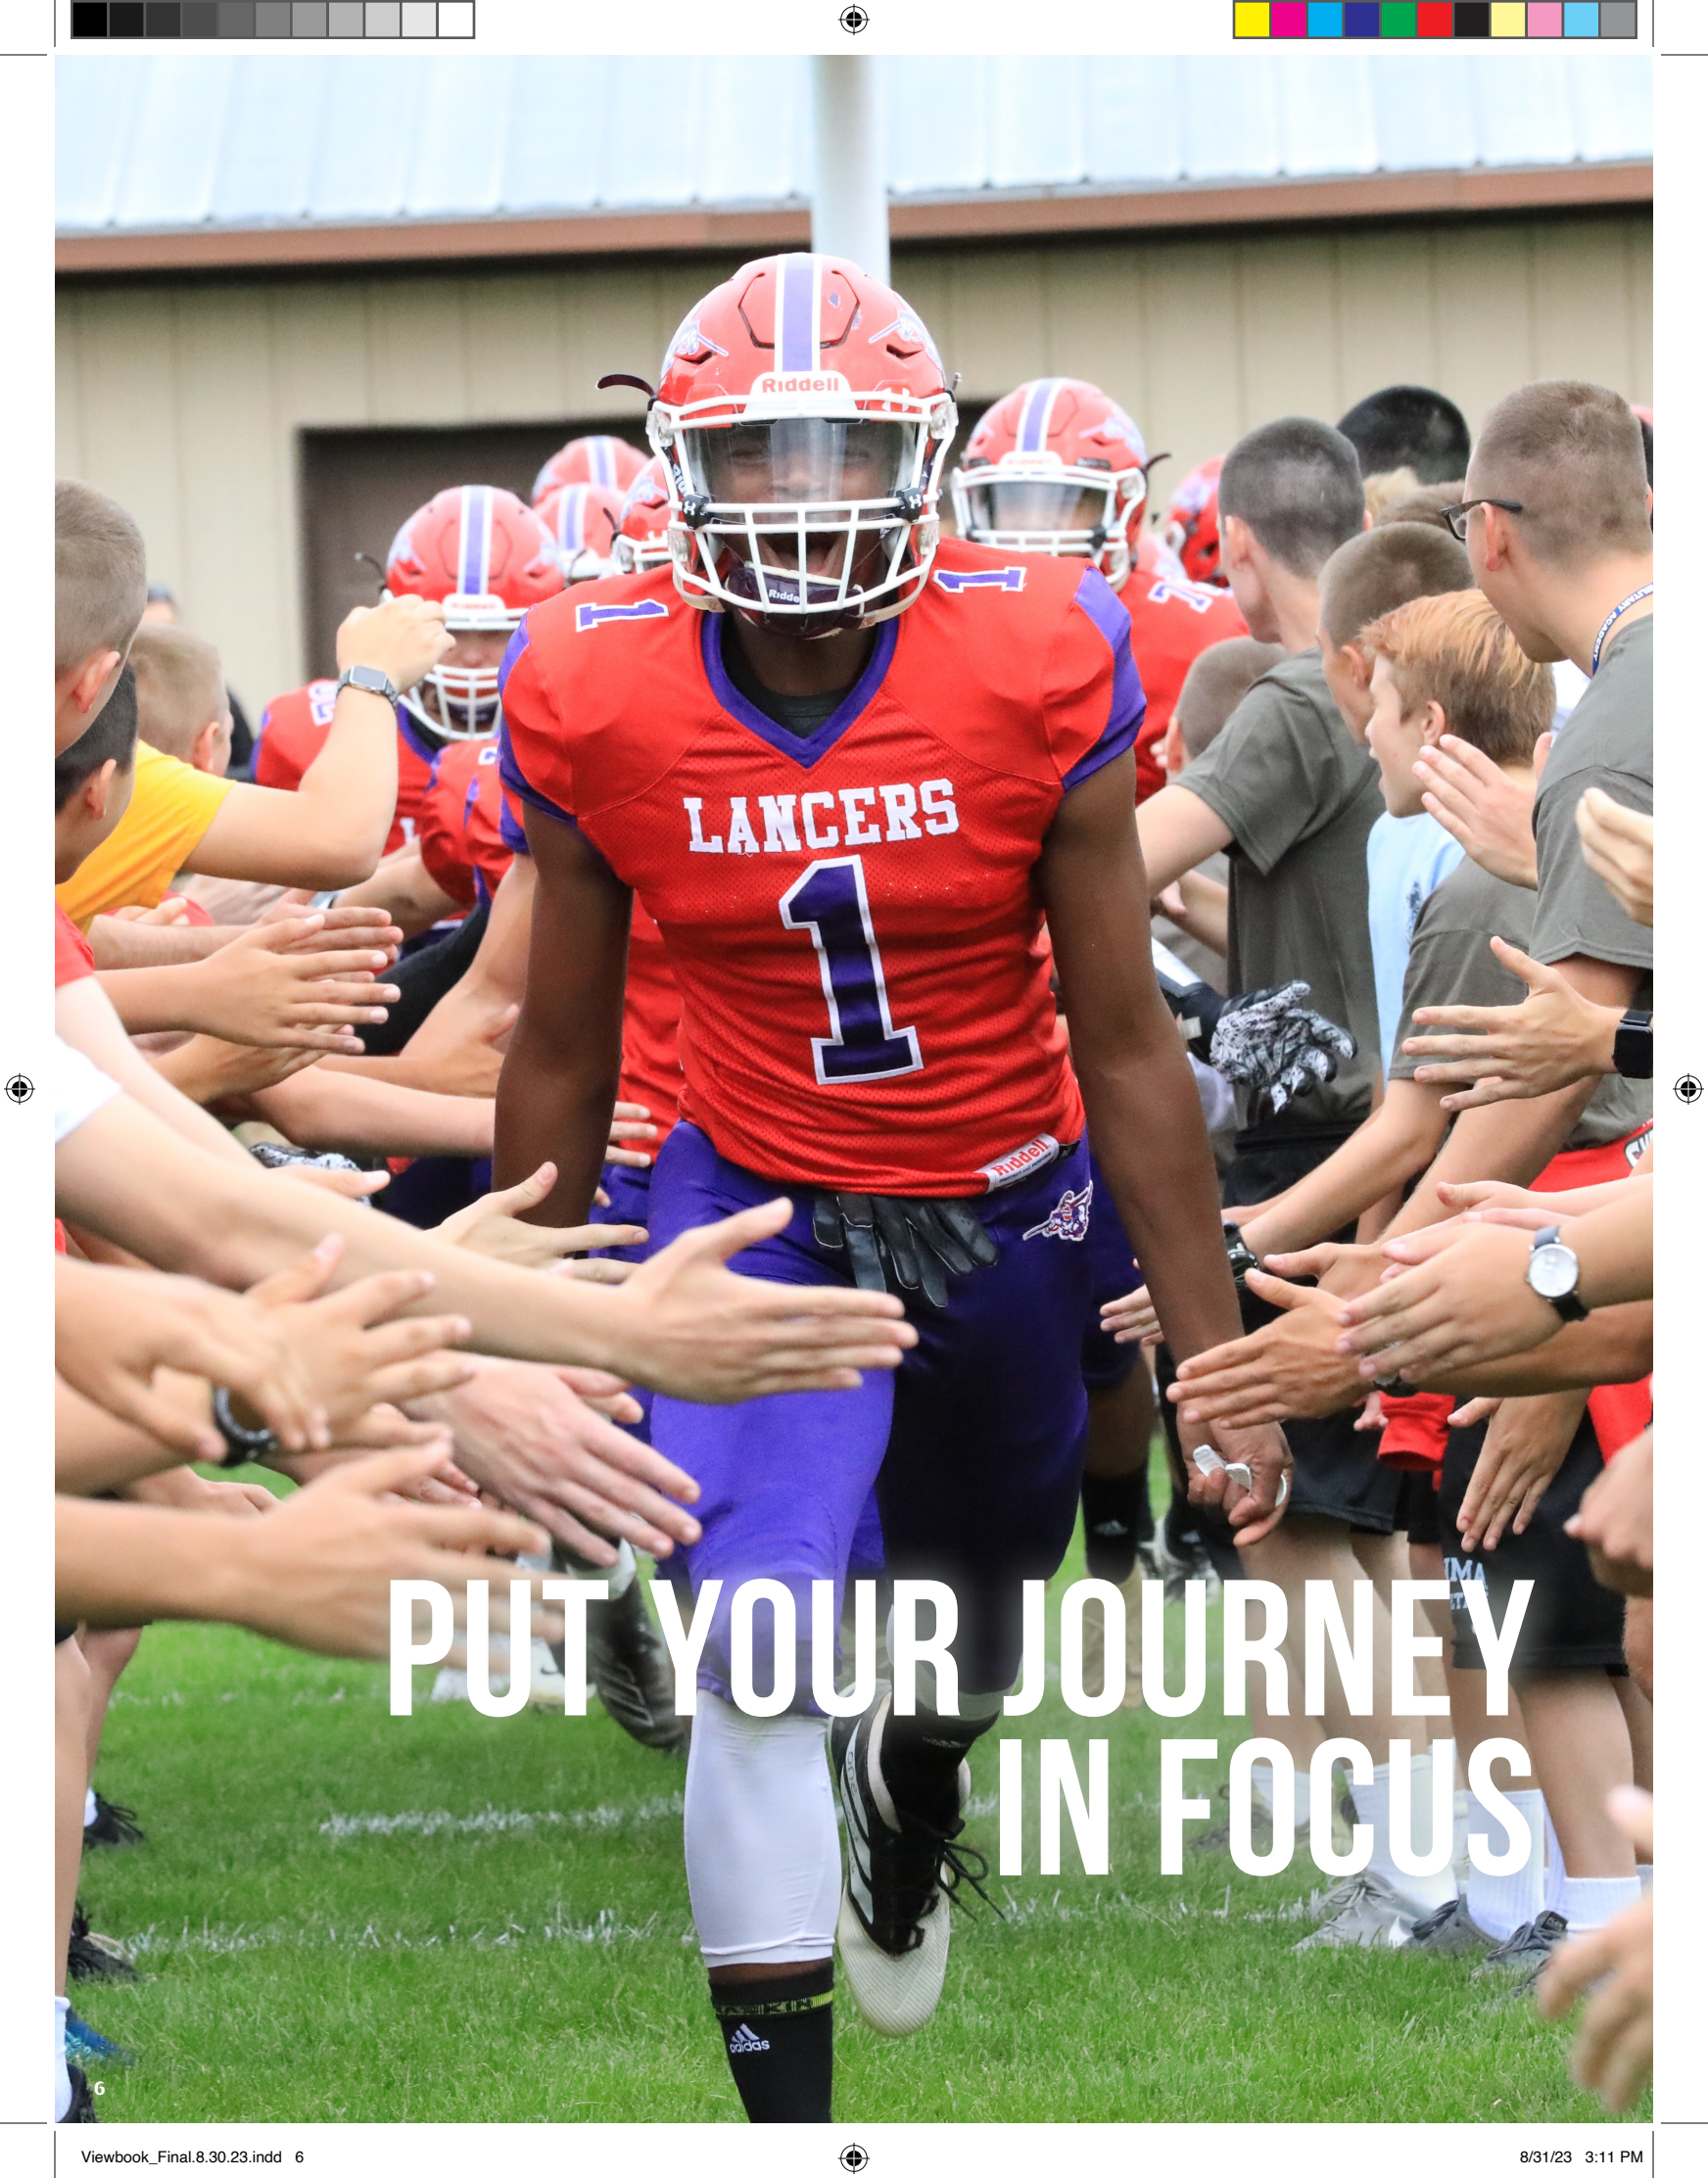

Campus landmarks remind you that you are connected to a legacy of leadership, inspiring you to “work hard, play hard,

COMMUNITY EXTENDS TO FAMILIES AND THE WORLD

The SJNA Parents Club welcomes all families, near and far, to connect, share ideas, and support our students. Proud alumni are connected to each other through a global network with the instant bond of a shared St. John’s Northwestern experience.

PUT YOUR JOURNEY
IN FOCUS

Daily life here is thoughtfully structured to offer a full range of experiences: innovative learning, exciting athletics, and deepening friendships are all part of the SJNA community. Imagine the possibilities!

BOARDING SCHOOL: LIVING LIKE FAMILY

Living and learning with students from diverse backgrounds develops social skills and promotes understanding, resulting in healthy, lifelong relationships. Choose from two boarding options:

7-DAY BOARDING – spending the majority of the academic year on campus except for holiday breaks and open weekends.

5-DAY BOARDING – returning home for the majority of weekends, except during designated campus event weekends.

DAY SCHOOL: FULL PARTICIPATION

Local students who select the day school option commute to campus Monday-Friday and for designated campus event weekends. Day students are full participants in campus life.

LEARNING TOGETHER, STANDING OUT

Military Academy cadets and Prefect Academy preps use the same facilities, share classes, and participate together in athletics and activities. Each academy has its own approach to leadership curriculum and dress. The Military Academy follows the U.S. Army Junior Reserve Officers' Training Corps (JROTC) program. The Prefect Academy follows a proprietary, carefully designed sequence, guiding you to understand and practice leadership of self, others, and society.

EXTRACURRICULARS ADD ENJOYMENT

Pursue your passions through clubs, service, and social opportunities. Musicians shine at campus events and community concerts. Groups like the Silver Rifles demonstrate the power of precise teamwork. Aviation enthusiasts can work toward certification. Traditional events like the Boar's Head banquet and mid-winter ball make memories that last for a lifetime. On and off-campus weekend activities weave fun into the fabric of SJNA life.

APPLY TODAY

CHOOSE YOUR PATH

If you are looking to challenge yourself to prepare for college and beyond, you'll find your path here at St. John's Northwestern Academies.

Based on your aptitudes and interests, our admissions counselors will help you choose the right path for you: Military Academy or Prefect Academy.

In both programs, we seek students of good character, academic ability, and a desire to achieve their personal best.

COLLEGE GUIDANCE: A HANDS-ON APPROACH

As the college acceptance process becomes more competitive, students and families are looking for guidance to navigate the process. The college counseling office at St. John's Northwestern Academies works with each student to help identify, research, and apply to colleges and universities based on academic, social, athletic, and financial goals. Our college advising class offered in the junior year allows students to receive one-on-one attention through the college application process.

TAKE THE NEXT STEP: APPLY NOW

For more information on enrollment, scholarships, and financial aid, speak to our admissions counselors. We'll guide you through the process.
