

# INTERNATIONAL STUDENT ORIENTATION

**AUGUST 18 - 25, 2025**

The International Student Orientation week is designed for ESL (English as a Second Language) students and provides a one-week orientation for all new international students to SJN. It is a time to evaluate English proficiency levels, meet new friends, and prepare for a successful school year both culturally and academically.

This memorable experience builds confidence for success in the school year and provides a strong start at St. John's Northwestern.

## A PROVEN RECORD OF SUCCESS

International students from more than 20 countries have learned and practiced English alongside American students. Many of these students have gone on to become leaders of business and industry, senators, ambassadors, and even presidents of countries. The ESL program at SJN strives to prepare our students for success in today's global society.
